

## 2016 Scholarship Information

Dear Scholarship Applicant and Parents or Guardians,

In 2015, the Anacortes Schools Foundation was pleased to celebrate its 30<sup>th</sup> year of supporting Anacortes students. At the annual ASF awards ceremony, the accomplishments of more than 60 deserving students were honored with over \$95,000 in scholarships. Thanks to the vision and generosity of many in our community, we look forward to continuing this tradition in 2016.

Eligibility for ASF scholarships is not dependent on academic achievement alone. Criteria for scholarships vary widely and may include merit, community service, career goals, participation in extracurricular activities, personal achievements or financial need.

There are four scholarship applications. Please see the list of available scholarships on the ASF website for more details regarding specific eligibility criteria. You should submit the:

- **General Application** for most scholarships. One application for seniors and one for college graduates. You do not need to specify the scholarship for which you are applying. You will be considered for all scholarships for which you are eligible. (Note: Please choose the application that applies to you—either graduating senior or current college student.)
- **Friends of the Forest Scholarship Application** if you are a graduating senior or a current college student and plan to pursue a degree related to the outdoors, environment, conservation or nature.
- **Lynn Dragovich Memorial Scholarship Application** if you are a majoring in music and are a graduation senior or past Anacortes High School graduate.

**PLEASE RETURN COMPLETED APPLICATIONS TO THE  
AHS COUNSELING OFFICE**

**NO LATER THAN Noon on March 31, 2016**

More information about scholarships is available on the ASF website. We look forward to receiving your **completed** application(s). Scholarship recipients will be notified in late April and all recipients are expected to attend the ceremony on June 1, 2016 to receive their awards. For more information regarding ASF scholarships or the scholarship process, please see the Frequently Asked Questions page at [www.anacortesschoolsfoundation.org](http://www.anacortesschoolsfoundation.org).

Sincerely,

Art Shotwell  
President  
Anacortes Schools Foundation
