ASF knows that all our teachers and staff are working hard to mitigate the effects of the COVID-19 pandemic on Anacortes students. We understand the incredibly heavy lift you have already made this fall.

This section for ASF use only.

**We want you to know that we appreciate you and that ASF is here to support you.** ASF remains committed to its mission of empowering all Anacortes students through scholarships and enriched learning opportunities, with our first priority for the 2020-21 school year focused on being responsive to the ever-changing needs of our students due to COVID-19.

**ASF continues to actively raise money to support our schools.** At the district level, ASF will continue to work with Superintendent Irish to support access to remote learning and mental health. In addition, **ASF is now able to offer grade-level and departmental grants.** Please fill out this grant form, keeping in mind that ASF remains committed to equity and to supporting projects that are aligned by grade level and by department. We are asking that all grant applications be returned to your principal by November 1, 2020 so that requests can be vetted before final submission to ASF. Requests will be considered by the ASF Board and, if approved, funds will be available immediately through Dave Cram.

- 1) Please complete all applicable portions on BOTH sides of this application form.
- 2) Submit your application to your building principal by **NOVEMBER 1, 2020**. Your principal will submit appropriate requests to ASF and you will be notified of ASF’s decision as soon as possible. Additional funds may be available for second quarter requests. A separate grant form will be emailed at a later date.
- 3) If you are submitting for reimbursement, please submit any receipts with this application.
- 4) If you are serving multiple schools, please submit your application at any time, directly to ASF at [marta@asfkids.org](mailto:marta@asfkids.org).
